## Mario Leal

*27-year-old Mexican photographer born in Xalapa, Mexico.*

Mario's journey into photography began at 12 years old when he got his first camera. Despite initially pursuing degrees in Economics and Finance and working in those fields, his passion for photography remained constant. Now fully immersed in his art, Mario captures the essence of life and nature, from vibrant hometown scenes to remote landscapes and bustling cities worldwide. Through his lens, he inspires wanderlust and promotes appreciation for diverse cultures, urging others to explore the world.
